 to erect a fine dwelling for Mr. Trout-
 man, on 7th avenue and Fairfax bou-
 levard.
 The B. & O. R. R. contemplates
 putting in a quantity of additional
 siding on the north side of their main
 track at this place.
 A beautiful memorial tablet—a tri-
 bute to the late N. S. and Frederika
 White—has been placed in Zion
 (Episcopal) Church.
 When you visit Baltimore stop at
 the Maltby House, where will be
 found first-class accommodations and
 exceedingly low rates.

 this important Charles Town industry

 The building of Mrs. George Dooley
 (formerly a carriage shop), on
 Main street near Water, is being
 fitted up for the Charles Town Steam
 Laundry of Messrs. Baker & Gunther.
 The canvassing by Mr. Caldwell,
 electrician, last week, shows a strong
 indication on the part of our people
 to encourage the electric light system,
 and we hope soon to see it put in op-
 eration.
 Mrs. W. E. Shafer is in the east
 purchasing fall goods, and will have
 new millinery displayed to-day or to-
 morrow. The ladies are invited to
 visit the store on North Mildred
 street and examine stock.
 The Town Council last night or-
 dered that curbing be set and prop-
 erty owners be required to lay pav-
 ement along the north side of Congress
 street from Lawrence to George, and
 along both sides of Liberty street
 from Lawrence to West.
 A part of a set of harness was stolen
 from the back of the horse of Mr. Har-
 ry Whittington, whilst standing at his
 hitching post last Saturday night—
 A daring theft, surely, and we trust
 the perpetrator of it will be discov-
 ered and brought to justice.
 The advertisement of Mr. T. O.
 Taylor, dealer in Fancy and Staple
 Groceries, Glass, China, Ware, To-
 baccoes, and Cigars, appears in this

 community highly recommended.—
 We bespeak for him a liberal share
 of the public patronage.
 Mrs. Sophia Tongue, wife of Rev.

 community in his sad bereavement.
 Funeral services were held in the M.
 E. Church South—interment in Edge-
 Hill Cemetery.
 Whilst waiting for a delayed train
 at the N. & W. station last Thurs-
 day, we strolled up to the brickyard
 of Messrs. W. F. & T. P. Lippitt,
 near by. We found everything in
 full blast, with Mr. R. A. Hessey,
 an old stager at the business, in charge,
 and turning out an excellent quality
 of brick—much superior to those
 composing the first one or two kilns
 burned upon this yard.
 The Hilda Vernon Company will
 appear at Washington Hall in a re-
 pertoire of their own plays. The com-
 pany gives their regular season here
 and will give their first performance
 on Saturday night, September 12th,
 and will give a performance every
 night during the following week,
 changing their program nightly and
 varying their bill to suit all tastes.—

 The people here know the company,
 and we hope they will turn out in full

 The Best Advertising.
 The most efficient advertising in behalf
 of Hood's Sarsaparilla is that which
 comes from the mouths of those who
 are cured by it, speak to friends suffer-
 ing similarly, who in turn derive benefit
 and urge others to try this successful
 medicine. Thus the circle of its popu-
 larity is rapidly widening from
 case alone, and more and more are be-
 coming enthusiastic in behalf of Hood's
 Sarsaparilla as it actually demonstrates its abso-
 lute merit. All that is asked of Hood's
 Sarsaparilla is that it be given a fair trial. If
 you need a good blood purifier, or build-
 ing up medicine, try Hood's Sarsaparilla.

 of her great change with calm resig-
 nation, giving evidence of perfect
 peace. Funeral services were held
 in the M. E. Church South, and were
 participated in by Rev. H. P. Hamill,
 Rev. Dallas Tucker and Rev. Dr. A.
 C. Hopkins—interment in Edge-Hill

Dyspepsia

Makes the lives of many people miserable,
 and often leads to self-destruction. Distress
 after eating, sour stomach, sick headache,
 heartburn, loss of appetite, faint, "all gone"
 feeling, bad taste, coated tongue, and irregu-
 larity of the bowels, are
 distress some of the more com-
 mon symptoms. Dyspepsia does
 not get well of itself. It
 requires careful, persistent
 attention, and a remedy like Hood's Sarsa-
 parilla, which acts gently, yet surely and
 efficiently. It tones the stomach and other
 organs, regulates the circulation, creates a
 good appetite, and by thus
 overcoming the local symp-
 toms removes the syphilis. Headache
 and the public that has removed to the
 front upper room in the Gibson building, ad-
 joining the common house yard.
